Dear Coach and AD,

Years ago the Diamond State Classic offered teams a full page advertisement in our program book at a discounted rate. We also offered a rebate program for any full page ads sold by the teams. We have decided to resurrect this Fund Raising program that helps both the Diamond State Classic and your school team.

A full page ad (black and white) for any school is \$300.00. This ad can tell about your school, wishing the team luck in the tournament or put in by the booster club. Whatever you feel is appropriate for your school. Here is where the rebate comes in. If you sell any full page ad for the regular price of \$400.00 we will return to the school \$100.00 per ad. As a bonus, sell 5 ads and get an additional \$100.00 for a total of \$600.00 back. This helps the scholarship program and help as a fund raiser for your team or school.

If you need anymore information on this program please call John Gretchen at 302-442-0302. I have enclosed a solicitation form. Please feel free to copy it. This form will also be available on our website in the near future.

Thanks

John
