2007-2008 Record: 18-4 2009 State Finals Runner-Up

About us this year (2008-2009): After a successful run at the State Title, The Lady Cavaliers of Middletown High School came up a bit short and finished second in the state. This year we are lead by two returning Seniors from that great team. Tianna Cuttino and Brittney Agostini, Tianna is our leading scorer and team leader. She is very quick and smart for the positions she plays, point guard and forward. Brittney Agostini our second leading scorer is a very good shooter with good slasher instincts. Rounding out our senior class is Taylor Aiello, very good shooter and Teresa Butler, strong defensive player. Juniors Diamyn Robb, Cierra Jones and Siobhan Thompson. Diamyn Robb is one of our most explosive and athletic players. Sophomores Bianca Richards, Alexis Wilson and Freshman Kristen Rossi. Bianca Richards is developing into a great low post defensive threat.
