Team Name North East Indians

City, State North East, MD

2007-2008 Record: 16-9

About us this year (2008-2009): North East will be in a rebuilding mode this year after losing six seniors, including all five starters, from last years' Susquehanna Division Champions. Those seniors boasted two divisional titles and a 29-3 record within that division during their tenure at North East. The 2009-2010 team returns just three players with varsity experience, most notably Christie Minor, who enters her third year on varsity and who will be counted on heavily for leadership in nurturing this very young team through its growing pains. Fellow returnees Meghan Fersch and Rachel Clewer will look to build upon their solid sophomore seasons while Junior Madison Story looks to become the next in a line of strong North East centers. Lexi Stevens becomes the first freshman in four years to play at the varsity level and has been impressive early with her shooting ability and basketball IQ. Junior Katie Spence will be counted on to use her versatility in playing guard and forward as will fellow juniors Natalie Loux and Jordyn Yedinak. Junior Julie Gallatin will be asked to provide depth at center or forward as will Senior Lauren Dorris. Another freshman, Ashley Mckinney will provide back-up to Minor's point guard position and looks to gain valuable experience throughout the season.

The young Indians will be tested early as they face a very tough December schedule before entering divisional play in January. If they mature early and accelerate the learning curve. they could surprise some people as the season progresses.
