Team Name Padua Academy (Pandas)

City, State Wilmington, Delaware

2007-2008 Record: 9-14

About us this year (2008-2009): Very young team with four returning players from 2008-2009 season. Returning senior guard Tianna Wagner will lead the pandas with her tenacious point guard play and strong defensive skills. Kate Donnelly will lead this inside game with her excellent speed and endurance and her continued improvement. Overall we will be a team that will only get better with each game we will play. Our sophomore class consisting of 8 players will be battling for playing time and positions. Great heart and and extremely hardworkers, they will do whatever it takes to win. Also returning after taking a year from basketball is guard Kristen Marbury who's speed and agressivenss make her one of the biggest threats defensively that I have seen in a long time. Then I have returner Krista Panella who brings experience to the inside game with her hard work and knowledge of the game.
