2007-2008 Record: 23-3

About us this year (2008-2009): This year's team will have many questions to answer after the graduation of six seniors last year, who took the Riders to the state semi-finals and a conference championship. The lady riders return three starters from last year's team. Deandra Scott is a four year varsity starter and was an all conference and honorable mention all-state performer last year. Jazmine Reeves is a three year varsity starter who provides rebounding, scoring, and a determination to want the basketball. Junior guard Monique Miller is looking to continue on a good sophomore campaign and will provide good shooting from the perimeter. Sophomore Khadijah Carter will have big shoes to fill at the point guard position, replacing All-Stater Cortney Baynard, but has looked poised to do so. Taylor Brickhouse will look to provide an inside presence for the lady riders this year. Overall the Riders expect to contend for the Conference title again and look to make the state tournament for the 20th year in a row.
