About Us:

Cumberland Valley were the 2013-14 Pennsylvania AAAA State Champions. USA Today ranked the Eagles 40th in the nation, and Max Preps had the team at 56th in the final 13-14 national rankings. The Eagles return 4 starters, and all but one of their top reserves. The competition in the state will be very competitive as always, but the Eagles hope to return for their 3rd straight AAAA final, with a chance to defend their title.
