About Us: The Appoquinimink Lady Jaguars are excited to return to the Diamond State Classic after winning last year's Avon Cup Bracket. The Lady Jags are coming off our best season yet, winning 16 games, winning the Blue Hen Flight B Conference, and earning the #7 seed in the state tournament. While we lost two senior starters who are both playing college basketball now, we do return our All State backcourt, senior Amani Clark (2011 top ten Northern Delaware) and junior Ashley Smith. Also returning from last year's starting lineup is all-conference forward junior Taylor Bond. We have great depth who should fill the losses of our class of 2011 players including returning varsity players senior guard Ali Minner, senior guard Angie Harper, sophomore forward Amber Cale, and sophomore guard/forward Briona Creek. The Lady Jags look forward to another great season!
