About Us: We will be a mix of young and old. We have 3 1/2 starters back but no "superstars". We will have much more depth but could end up starting a freshmen at the point. Our strengths will be our athleticism and depth. Our weakness will be finding out who can score on a consistent basis. We have two players that have committed to D-1 schools, for lacrosse, Rachel Schwaab and Deb Malani but they love basketball and I'm glad they do. We will have as many as 8, 3 sport athletes on the team this year. Given the world of specialization this is quite an accomplishment. Our returning starters are sophomore Taylor Barton, junior Maddy Hunt and seniors Rachel Schwaab and Kayla Gibson.
