About Us: The 2011-2012 Caravel team features one of the most talented freshman classes in the region. Multi-dimensional Caroline Davis led our team in scoring and rebounding last year as an 8th grader on varsity! Olivia Gumbs continues to amaze with rapid development in the post and domination on the boards. Micah Morgan played meaningful varsity minutes as an 8th grader, and will continue to develop as a dangerous shooter and scorer. Newcomer Ky'Asia Stanford will add floor vision and creative ability to finish to an already talented class of 2015.

Sophomore Jessica Reynolds will play major minutes as a scrappy, tough guard who effectively slashes to the rim.

Our tri-captains are juniors Heather Wiley and Yasmin Walker, along with senior O'Hara Chard. Wiley is a selfless leader who brings maturity, communication, and court vision to our young team. Walker is point guard whose speed makes her a dangerous weapon in transition and on the defensive end of the floor. Chard is a four year veteran of our varsity program. Her defensive awareness, shot blocking ability, size, and athleticism make her a match-up problem for many teams.
