About Us: The 2010-2011 team won its 3rd consecutive Suburban One National Conference Championship and was the PIAA District One Runner-Up. The 2011-2012 team returns 3 players who were key to our success last year, seniors Alyssa Dumont, Emily Grundman (All-Conference selection)& Helena Gemmell (All-Conference selection). We are excited about the potential of our younger players and while our schedule is very challenging we expect to see steady improvement as the season progresses.
