City: Seaford

State: DE

Team Record: 16-6

About Us: The 2011-2012 Lady Jays are returning their whole squad from last year and adding some new faces. Last season, the Lady Jays made the state tournament for the first time in over 5 years.

Our team is led by a strong back court made up of two juniors and a sophomore. La'Shyra Williams (11th grade), Tynetta Washington (11th grade), and Monshea Murray (10th grade) lead the charge. La'Shyra Williams is a two-time 1st team all-conference player, and the teams leading scorer. Tynetta Washington was a 1st team all-conference player last season and is the teams leading rebounder. Monshea Murray made great contributions last season, stepping into the starting line-up as a freshmen. The Lady Jays are expecting another great season and making another trip into the state tournament. We have a young core with a great future ahead.
