Dear Larry and the Diamond State Classic Board,

On behalf of *The Andrew McDonough B+ Foundation*, please accept our sincerest appreciation on your very generous donation in support of our battle against childhood cancers. We are truly honored that you have chosen The B+ Foundation to be the primary beneficiary of the Diamond State Classic.

Sadly, 46 children were diagnosed with cancer today and many of them, like my 14 year old son, Andrew, will not survive. We are humbled and appreciative that you would support us in this way.

As you know, the overall goal of *The B+ Foundation* is to "Do Good". With your help, we will continue to achieve our primary objectives.

- Sponsor research into cures for childhood cancers and advancements in chemotherapy. In this past year, we have awarded an additional \$410,000 in research assistance, with the most recent grant being awarded to St. Jude Children's Research Hospital.
- Provide financial assistance to families of children with cancer. In 2011 alone, we gave out \$510,000 to families in 49 states.
- Keep the B+ Movement alive! Andrew taught us to have fun, show affection, set goals and try our best, appreciate all the blessings that we have, and to keep our lives in perspective. And, to make time for our loved ones. In short, we need to Live Like Andrew.

Your very generous donation of \$15,000.00 will go a long way toward us accomplishing our mission. All contributions to *The Andrew McDonough B+ Foundation* are tax deductible to the extent permitted by law.

Thank you, again, for helping us keep Andrew's legacy alive and to "Do Good".

B+ and God bless you.

Joe McDonough  
President  
"Andrew's Dad"

This is truly amazing!  
Thanks so much for your  
support! B+
