About Us: Caravel Academy features a roster of experienced varsity players, regardless of what their grades might indicate. Seniors Yasmin Walker and Heather Wiley have played 4 years of varsity basketball and provide essential leadership for our team.

Walker is a gifted athlete whose quickness allows her to be a truly dynamic player on defense and in transition. Her communication skills and ability to see the floor make her essential to our success this season. Wiley has already accepted a full scholarship to Wake Forest University for field hockey, but continues to benefit our basketball team with her outstanding leadership, hustle, and 3 point shooting.

Jessica Reynolds is our lone junior. Jess will play a major role this season as scorer and rebounder. She can distribute the ball as well as score effectively off the dribble.

Our sophomore class features Katrina Connor, Caroline Davis, Micah Morgan, and Ky'Asia Stanford. This group is extremely talented and hard working. Davis is a 6'0" wing with ball handling, shooting, rebounding, and shot blocking ability. She sees the floor well and serves as tri-captain along with Walker and Wiley. Morgan is an extremely gifted scorer who can shoot the three, off the dribble, or get to the rim. She is a long defender who will also help us on the boards. Stanford is a strong, tough guard who, along with Walker and Morgan, will be very effective in transition. She is a solid ball handler who can score a variety of ways.
