About Us: In the 2011-12 season, Blair won their division and finished with a 20-5 record, losing to the MD state champions in the 3rd round of the playoffs. After graduating a talented senior class, this year's team is ready to continue the winning tradition with the help of returning juniors Erica Adarkwa, Maggie McClain, and Shannon Healy. In addition, experienced and talented seniors Naimani Staley, Mimi Verdonk, Jordyn Schroeder, and Melissa Romero will contribute to the team's success.. Our goal is to improve every day and prepare for post season play. We'll spend a lot of time on defensive principles, offensive strategies, and skill building working to develop impact players able to contribute to another winning season. We're looking forward to more balanced scoring this season and continued tough team defense.
