About Us: St. Mark's returns seven letter winners from last year's squad that advanced to the quarter finals of the state tournament. This group includes seniors Alesha Cintron, Haley Schweizer, and Jenna Wolff. Juniors returning are Cassidy Flanigan and Claudia Seemans while sophs Claire Igo and Anne White will get their second year of varsity experience. Lacking height at key positions, the Spartans hope to play more of an uptempo game this year. Look especially for Schweizer, Seemans, and Wolff to benefit from this change in style.
