

Head Coach's Name: Doug Myer

School Name: Wilson High School

Nickname: Bulldogs

City: West Lawn

State: PA

Team Record: 26-4

About Us: We are very excited about the potential of our basketball team this season. After winning the Berks County League championship and finishing 26-4 last year, we return the majority of our team from last year.

The biggest strength of our team is the senior leadership of Taylor Deane, Megan O'Brien, and Karis Poore. The three of them all have tremendous character, work ethic, and heart. If we just follow their lead, we'll be in great shape.

We have several players that are looking to play basketball on the collegiate level. We also have several players that are looking to compete collegiately in other sports, such as soccer and lacrosse.

This is our first year playing in the Diamond State Classic, and we would like to thank the organizers for hosting a first class event. Our team is really looking forward to the whole experience.
