About Us: Caravel Academy returns four starters from a team that reached the Delaware state championship for the first time in school history. Our lone senior Jessica Reynolds will continue to provide consistent scoring and rebounding on a team that has remarkable balance and chemistry.

Our three junior captains Ky'Asia Stanford, Caroline Davis, and Micah Morgan have all had an outstanding summer of hard work and improvement. All three made all state last season and are attracting the attention of college recruiters. Any of them could go for 20+ on a given night.

Rounding out the junior class are Katrina Conner and new-comer Shannon Tobin. Both players bring experience and a solid basketball IQ to the program.

Freshman forward Grace Lange will make an immediate impact on the boards and in the offense, benefiting from the unselfishness of her teammates.
