About Us: We will be very competitive and more mature in playing our aggressive transitional game and defense. We have three starters returning, Shartara Parsons-senior-6'2, average 14 points last year for us. Janeisha Davis, senior, 5'2 guard tenacious defense player and captain of our team. Tori Lesko, sophomore, 5'9, point guard and dynamic playmaker, co-captain of our team. These 3 players must lead us on the court and set the tone of what we represent. Senior forward Taylor Forrester, 5'10 will get plenty of action and be a super competitor on the floor. Our most improved player from last season and one to make a difference on the floor. Expecting Jenasia Daniels, Alexa Hartwick, Jazz McKenzie and Noelle Meck all help contribute to our success this year and and guide us to be a contender for our division.

Team Motto: " Taking OWNERSHIP thru ACCOUNTABILITY and being a great TEAMMATE, will have us all FINSHING STRONG"..
