

Head Coach's Name: Messiah Reames

School Name: Harriton High School

Nickname: Rams

City: Rosemont

State: PA

Team Record: 10-10

About Us: The Harriton Rams will have a lot of experience with even younger players having had a lot of playing time at the Varsity level last year. In the absence of size, the Rams will utilize their speed to keep opponents off balance. Sophomores Haley Morris and Olivia Tevis will be strong both defensively and offensively, while Junior Christina Mullen, coming off an injury, will always be looking to score. The team expects a good performance from Freshman Sophie Grady, handling the ball as well as looking to score. Four year starters Katie Melvin (point guard) and Sabrina Tabasso (shooting guard), All Central league selections, will anchor the team this year - with each closing in on 1000 points. Nadirah Anderson will also contribute with her ability to score from the low post. The team expects to go far with the hope of winning the Central League title and to be a contender in the PIAA District and state tournaments.
