About Us: The 2013-2014 Pioneers are looking forward to upholding the 30 year tradition of excellence at Oregon City. 3 National Championships and 11 State Titles are a part of Pioneer history.

This year's team will have a blend of experience and youth, as 11 seniors graduated from last years team, including 3 Division 1 players, 1 D2, 1 D3, and 2 JC players.

Jessica Gertz leads this years team after an outstanding summer. She has committed to Long Beach State in California. Other Pioneers looking to make a big impact include Seniors Alyssa Durr and Toria Bradford.

Lucy Kleiner heads up the junior class, and sophomores Cierra Walker and Taylor Shaw lead the 2016's into the new season.

OC has a long and proud tradition of excellence in the classroom and on the court. We would like to thank

the DSC and John Gretchen for inviting us and letting us enjoy the great competition, and learn life lessons from some of the great young people involved in the B+ Foundation.
