About Us: We look forward to returning to the Diamond State Classic after our initial visit last year.

Despite graduating our three senior captains from last year, we return several experienced players from a team that won the Berks County championship and the District III AAAA championship in 2013. Our returning starters include Carley Brew (a James Madison commit), Avery Marz (a Saint Joseph's commit), and Jessie Wallace (a Rider commit). We are hoping to contend for our league, district, and state championships in 2014.
