About Us:

Caravel Academy returns a roster of players that have valuable varsity experience. After our season ended in Delaware's State Quarterfinals last year, the girls put in a summer and fall of focused work in the weight room and on the court. We are looking forward to a challenging schedule this season, including our Diamond State Classic games.

Caravel is led by senior forward Grace Lange. She is a four year starter that has the experience and drive that you want to see in a senior. She can score,

distribute the ball, run the floor, and rebound. She will be a force this season. Four year varsity player Meghan Bailey will provide hustle and leadership this season for her teammates.

Our junior class includes Kaylee Otlowski, Maia Bryson, Shannon Swift, and Katie Spae. Kaylee was our most efficient player by the numbers last year. She has great hands, is a legitimate shot blocker, and can finish well. Maia was our leading scorer from last season. She is an offensive weapon from the three point line, can pull-up off the dribble, or finish at the rim. Katie is a defensive stopper. She can guard a guard or a post with equal effectiveness. She is tough and physical.

Our sophomore class is one of the most talented classes in Delaware, and includes Terea Hunt, Sasha Marvel, Karli Cauley, and Ondia Brown. Caravel basketball's present and future are in great hands with this group!
