**About Us:**

This season, the Lady Vikings may be young but they are determined. With only graduating two seniors last year, and having seven returning players with a few integral additions, this team has the experience needed for a successful year. The bond that these girls have already formed on and off the court makes them a force to be reckoned with for any team that steps into the gym with them. The Lady Vikings set high expectations for the 2018-2019 season from the moment they stepped on the court and are determined to achieve their goal.
