About Us:

Mt. Lebanon is returning 2 senior starters and 3 young stars to the line up. After losing in the District 7 semi-finals, and losing in the first round of states, the Blue Devils are hungry to get back on track. Jamey Napoleon (commit to Central Connecticut State University) and Nora Kogan will bring strong experience to the rectangle. We are young, but talented and we look forward to the challenge and high level competition of the Diamond State Classic!
