About Us:

We return our starting 5 from last year's PIAA state playoff team. Still without a senior on the roster, looking forward to competing for the PA's best league (the Suburban One-American Conference). Anna McTamney is the most seasoned player, this is her junior year. She has played in 58 varsity games through her first 2 years, starting the last 45 of them. She along with point guard Kaitlyn Flanagan were named 2nd team all conference last year. The two of them are flanked by returning 3rd team all conference

selections Lainey Allen and Jordyn Thomas, and one of the league's premier defenders in Gabby Cooper. The supporting cast also has returning contributors Fiona Gooneratne, Lily Belle McGrorty, Ally Zolty, Leah Kaye, Haley Felgoise. The exciting addition of this year's team is the added depth of four incoming freshman, Erin Daley, Abby Sharpe, and Chloe McGrorty, that will give us some much needed depth and athleticism off the bench, and newcomer in the middle Deja Evans.
