### About Us:

We are a private institution located in Quebec City, Canada. There are 1200 students attending our school, 750 of whom are in the Academic Sports Program (This consists of students attending classes in the morning and practicing their sport in the afternoon).

SSF is renowned for its academic and athletic program across Canada. The school includes 62 sports teams in 10 different disciplines: basketball, hockey, football, soccer, etc. The basketball program contains nearly 250 players in three structures.

Over the past 15 years, our D1 women's basketball has been dominate Provincial & National scene including 7 provincial championships has been able help girls be recruited in provincial and national teams. This is a program that competes every season with the top teams in Canada

This year's team is composed of several top athletes. A spectacular style of play based on speed and excellent skill. It is an aggressive style offensive and defensive.
