Team Record: 3-20

About Us:

In our second year with Severn, we return 6 players add 4 freshman and a junior transfer. We are very young and very inexperienced but the expectations are very high. A nice combination of returning size with young athletic guard play, we expect to improve every game out. Severn was a dominant force in the IAAM B conference for years and we expect to return to prominence with this group. It is our honor and privilege to participating in the legendary DSC.
